# AUREA

*Aurea* è l'esclusiva collezione di maniglie e pomoli firmati *Marella Design* dedicata a chi ricerca l'eccellenza ed ama circondarsi di oggetti preziosi, esclusivi nell'estetica e nel design, per osare, andare oltre e superare anche le più elevate aspettative dei nostri clienti.

Una combinazione di radianti e brillanti finiture per ambienti lussuosi, eleganti, suggestivi e ricchi di charme. Maniglie e pomoli che diventano veri e propri monili, gioielli ricchi di contenuti stilistici e qualitativi; pezzi esuberanti, dominanti e protagonisti della scena.

Le maniglie *Aurea* vanno oltre la loro funzione di elemento tecnico, sono oggetti raffinati, preziosi, che danno il senso della meraviglia, del lusso e dell'eccesso. I materiali lavorati con concetti di oreficeria trasformano la maniglia in un dettaglio inconfondibile e caratterizzante, avente lo stesso compito estetico che un gioiello ha rispetto al corpo umano.

Alta qualità, estro e maestria nella lavorazione permettono di ottenere pezzi unici dai dettagli luminosi che racchiudono audaci dichiarazioni di opulenza, con particolari carichi di espressività.

La ricchezza e il fascino della serie *Aurea* rievocano località esotiche lontane ed altre a noi più vicine:

La *Domus Aurea di Nerone*, la *Golden Pagoda di Myanmar*, la *Ca' d'Oro di Venezia*, il *Golden Temple di Harmandir Sahib*, la *Torre dell'Oro di Siviglia*, la *Stadhuset, sala d'oro, di Stoccolma* e il *Corno d'oro di Istanbul*, la cui leggenda narra che i bizantini vi avessero gettato un numero tale di oggetti preziosi da rendere le acque luccicanti d'oro. Luccicanti e ammaglianti come le maniglie *Aurea*.

*Aurea* is the exclusive collection of handles and Knobs by Marella Design dedicated to those interested in precious objects, exclusive in aesthetical aspects and design for satisfying the high demanding customers.

A combination of radiant and sparkling finishes for luxurious, elegant, suggestive and charming places. Handles and Knobs become real jewels, rich of stylistic and quality contents for exuberant and starring pieces.

The handles of *Aurea* collection are more than a technical element, they are precious and elegant products giving a sense of astonishment and luxury.

Quality materials and handicraft skills let the handles become a wonderful and unmistakable detail, having the same task a jewel has for the human body.

High quality materials and inspiration for special pieces with brilliant details rich of intensity: a daring declaration of opulence.

The opulence and the appeal of *Aurea* collection remind remote places such as:

The *Domus Aurea of Nerone*, the *Golden Pagoda of Myanmar*, the *Ca' d'Oro in Venice*, the *golden Temple in Harmandir Sahib*, the *Golden tour in Siviglia*, the *Stadhuset, golden room, in Stocholm* and the *golden Golden horn of Istanbul*, the legend tells that Byzantine, threw down the water so many precious objects that made the water gold sparkling. Sparkling and fascinating like the handles of *Aurea* Collection.

Gentile Cliente,

Scegliendo Aurea byMarella Design, si è assicurato un prodotto di alta qualità, maniglie e pomoli con copertura bagno oro 24kt e bagno argento con vernice protettiva a salvaguardia della resistenza del prodotto nel tempo. I prodotti sono interamente fabbricati in Italia, materiali pregiati e maestria sono certificati da costanti controlli di qualità per un prodotto unico ed esclusivo.

English:

Dear Customer,

Choosing Aurea byMarella Design, you have a high quality product; handles and knobs covered by 24kt golden and silver finishes, with a special print protecting the product over the time. An exclusive product completely MADE IN ITALY, high quality materials and handcraft skill guaranteed by constant quality controls for an exclusive detail for your furniture.

Русский:

Уважаемый Клиент,

При выборе коллекции Aurea фирмы Marella Design гарантируется возможность получения продукта высокого качества. Изделия покрываются 24 каратным золотом и серебром с защитным лаком, обеспечивающим прочность продукта. Изделия полностью изготавливаются в Италии. Высокое качество исходных материалов и мастерство выполнения подтверждается результатами постоянного контроля качества, благодаря чему клиент получает продукт исключительно высокого качества.

Pulizia | How to clean | Чистка

La pulizia delle maniglie e dei pomoli può effettuarsi con un panno morbido e umido, evitando sempre l'impiego di creme e detersivi abrasivi.

We recommend to clean handles and knobs with a wet and soft cloth avoiding to use alcohol or any kind of detergent.

Чистить ручки можно мягкой влажной салфеткой. Не рекомендуется использовать пасты и порошки, которые могут поцарапать поверхность деталей
